

Communication of change in TERN A S.p.A. share capital

Please note the new breakdown of the share capital of TERN A - Rete Elettrica Nazionale Società per Azioni (TERN A S.p.A.) (fully subscribed and paid-up), as resulting from the partial execution – which took place between 21 April 2011 and 30 April 2011 – of the resolution to increase the capital passed by the Board of Directors in its meeting of 21 March 2007, serving the 2006 stock option plan.

More specifically, during said period from 21 April 2011 to 30 April 2011, a total of 501,000 ordinary TERN A S.p.A. shares were issued and subscribed to be used for the 2006 stock option plan.

It should be recalled that the Board of Directors had received a specific proxy to define the specified share-capital increase from the extraordinary shareholders' meeting held on 01 April 2005.

The certification relative to the new share capital was deposited for registration with Rome Companies Register on 03 May 2011.
