

## **CAPACITY AVAILABILITY AT GREECE-ITALY INTERCONNECTION**

***November 29<sup>th</sup>, 2018***

With reference to the notice published on November 13<sup>th</sup> 2018 on this website about the unavailability of the link between Italy and Greece, TERNΑ and ADMIE inform market participants that the cable will be back in operation on Saturday 1<sup>st</sup> of December and the NTC will be restored at 500 MW (starting from 0:00 CET) on both directions.

Consequently on the 30<sup>th</sup> November will be held the daily auction for the 1<sup>st</sup> December.

Possible updates referred to this notice will be promptly communicated by TERNΑ and ADMIE.
